The month of February promises to be an excellent opportunity to live our faith, especially, as we get ready to enter the **Season of Lent** at the start of the next month, the month of March.

Specifically, we are looking at the various **Feast Days on the Church Calendar** and see many opportunities to pray to some of the Great Saints for their assistance. One such Feast Day, **the Feast of Our Lady of Lourdes** offers us the opportunity to honor and to pray to Our Blessed Mother herself! Accordingly, we are planning for a very special **Novena Prayer** to Our Lady of Lourdes on February 11.

In addition, we will be blessed in having several great guest co-hosts join us on the OCFRP. Beginning on February 4, **Fr. Peter Welsh** who is the **Parochial Vicar at St. Helena Parish** in the Archdiocese of Philadelphia and also the, the **Spiritual Director of Regina Pacis Spanish Curia of the Legion of Mary** will be in our studio to pray with us and to talk about **Our Lady of Lourdes**.

Next **Mr. Steve Bozza from the Family Life Office of the Archdiocese of Philadelphia** will join the OCFRP on Tuesday, February 7 to talk about his impressions of the **March For Life in Washington, D.C.**

Keeping with the theme of Right to Life, Kathy Bond, Co- Chairperson of the pro-life committee at the **Parish of St. Simon and Jude in West Chester** will stop by on Tuesday, February 14th and talk about her Spiritual Growth while praying on the front lines for **life at all stages of the life spectrum**.

Finally, our good friends, **Mr. Carl Malburg** from the **International Pilgrim Virgin Statue of Our lady of Fatima Foundation** and **Charlie DeFeo** from the **Order of Lay Dominicans** will be back with followup appearances from their last visits on the 15th and 24th respectively. We hope to see and hear from you on these various occasions as we strive to make a spiritual difference!
