

OREMUS COMMUNICATIONS AUGUST 2018 NEWSLETTER

Hello everyone. One of the major events in July was the official recognition of the 50th Anniversary of the Papal Encyclical *Humanae Vitae*. The Archdiocese of Philadelphia took the lead in promoting a wide gathering of Catholic notables in the Delaware Valley to see the movie "The Sexual Revolution". Such notables include Dr. George Isajiw, Dr. Monique Ruberu, Dr. Anton Raimundo and others. This brand new movie was shown at the Malvern Retreat House on July 25th, and explored all the ramifications (growth of abortion, euthanasia, and in-vitro fertilization) of "*Humanae Vitae*" as they apply to the sexual revolution and Natural Family Planning. The film tells the story of a young woman who had been born via in-vitro fertilization, and grew from being totally secular to becoming a Catholic with the highest respect for *Humanae Vitae*. If you are interested in obtaining this film for your parish or diocese, please visit www.sexualrevolutionmovie.com for specific details.

For instance, on Tuesday, August 21, [Anne DeSantis](#), Director of the Saint Raymond Nonnatus Foundation for Freedom, Faith and Family (under the auspices of the Mercederian Religious Order) will pray with us, and in addition to talking about our Blessed Mother, will also describe her ministry dedicated to comforting those who are divorced or separated. Carl will also talk to us about our Blessed Mother under her title, **Our Lady of Fatima**. And later on Friday, August 24, our good friend, [Charlie DeFeo](#), renowned author and one of the founding members of the Saint Pius X Catholic men's group, will be our guest to pray and give his impressions of the "The Sexual Revolution" movie.
