## OREMUS COMMUNICATIONS MARCH 2020 NEWSLETTER

Hello Everyone! We hope all is well as our year 2020 speeds along and we dedicate our Apostolate here at Oremus Communications to making a spiritual difference in our Church and World by proclaiming Jesus Christ as our Lord, Savior and Universal King as we pray without tiring under the mantle of our Blessed Mother under all her Church approved titles and especially as Our Lady of Fatima.

2020 certainly did start with a momentous occasion as the President of The United States, Donald J. Trump made a live appearance and addressed the Marchers at the 47th Annual March for Life where as always Oremus Communications was among the marchers with our team from Pro Life America Radio. This was the first time a President has spoken live at The March for Life.

Please continue to visit the United States Conference of Catholic Bishops website at United States Conference of Catholic Bishops to keep abreast of all updates and especially those on the pro life issues at [www.usccb.org](http://www.usccb.org).

For the second year in a row Oremus Communications headed down to the Men's Conference in the Diocese of Venice, Florida where Fr Donald Calloway, priest, author and speaker was the keynote speaker and boy did he deliver in saying we must use the Rosary as our spiritual weapon and sword every day in the fight against daily sin and struggles and that's exactly why Oremus Communications was founded and our mission.

As we look ahead we have much to look forward to starting in early March with the annual [Man Up Philly Conference](#) – Philadelphia's Largest Men's Spirituality Conference. This will be the 12th annual Archdiocese of Philadelphia Men's conference and will be held at the Mirenda center on the campus of Neumann University in Aston, PA on March 7.

Once again members of our Oremus Communications team will be there and we look forward to seeing you.

Keep praying and keep listening to all of our [archived shows](#) of **Our Lady of Fatima Novena Prayer Program** (OLOFNPP) and our **Family Rosary Program** (OCFRP) as well as our live shows - **Pro Life America Radio** every Thursday at 7pm EST and the **Legion of Mary Immaculate Conception Praesidium Divine Mercy Chaplet Program** (LOM) every Friday at 3:00 PM Eastern Time, whereby our mission is In keeping with our Baptismal duty to "go out and preach the Gospel to the world", the Legion of Mary uses all means of communication available. Our goal is to help its members and all those whom we meet in their journey of sanctification, by sharing God, through His Mother, and giving glory to God.

Have a great month everyone in making a spiritual difference in our Church and World and we look forward to writing you again in April.

God Bless!

Oremus Communications Team

Members of the Oremus Communications Pro Life America Radio team are pictured at the annual Pennsylvanians for Human Life Dinner held every February at Springfield Country Club in Delaware County PA and Oremus was once again well represented as usual.
